

### Fair Preview virtual.drupa in print + online

Our fair issue for drupa and our online channels are usually heavily used by our readers in the run-up to drupa in order to prepare for their visit to the trade fair.

After the postponement in 2020, drupa will now only take place as a virtual event in April 2021. We all lack the usual industry meeting point, we have to be content with digital channels at the moment.

In order to support you as an exhibitor at virtual.drupa, we offer you to spread your messages on all of our channels if you would like to present your new products and services:

- in print: in the **trade magazine Flexo+Tief-Druck** with a circulation of around 3,600 copies
- online on our **website flexotiefdruck.de** with over 7,000 visits per month
- in our **newsletters** with over 1,240 subscribers
- via our **social media channels** on Xing, LinkedIn, Twitter and YouTube
